Projects

Bean Map (Still in Development)

 <https://github.com/DwayneCrous/Bean-Map>

WEB APP

2025 - Present

- A Svelte web app to discover and track coffee shops around the world.
- It works with MapBox and OpenStreetMap for directions and the entire map system.
- It also has some gamified aspects with badges and achievements.

Orion

 <https://github.com/DwayneCrous/Orion>

DISCORD BOT

2025 - Present

- A Discord bot built with Discord.js
- It is a multi-purpose bot for moderation, utility and fun
- It uses API's calls and AI to give you information about the weather, news and an AI overview of the day.
